Ms. Sarah Mosley, President/CEO
Telcoe Federal Credit Union
P.O. Box 342000
Little Rock, AR 72203-4200

Dear Ms. Mosley:

We want to offer our employees (members, volunteers, students) of _____ **FREE wellness webinars and FREE financial health & wellness tools** provided by Telcoe Federal Credit Union. Currently, our company employs ____.

Please accept this request to include our company in the field of membership of Telcoe Federal Credit Union.

We do not currently offer the benefits and services of a credit union. I feel this is an opportunity to allow our employees financial advantages not offered anywhere other than a credit union. We understand that Telcoe prefers to utilize payroll deduction and such an arrangement is perfectly acceptable to us.

Our company is located in Arkansas approximately ____ miles from your credit union offices (Little Rock, Sherwood or Russellville), which would make it very convenient for our employees to handle their financial affairs. With FREE Remote Deposit offered by Telcoe, our employees are less than 1 click away from the closest Telcoe branch while using their phone.

Thank you and look forward to offering these FREE services to our employees.

Sincerely,
