- **App Store- “Telcoe Arkansas”**

Review Your Credit For Free

Your credit score communicates the idea of “risk”. That’s because credit scores are used by lenders to determine the risk involved in doing business with a borrower. Visit www.annualcreditreport.com

- Credit scores look at the information that can predict your future behavior.
- Credit scores can and do change.
- Often, a negative item on a credit report can result in a quick and sudden decrease in a score.

Upcoming Holiday Closings

Memorial Day: Saturday May 25th and Monday May 27th

Juneteenth: Wednesday June 19th

Independence Day: Thursday July 4th and Saturday July 6th

Money Hack 101

If you struggle when it comes to impulse shopping in the grocery store, then consider ordering your groceries online. **The great thing about ordering your groceries online is that you will know how much you’re spending before you actually check out.** That way, if you go over your grocery budget you can always remove something from your cart.

This will save you **hundreds of dollars** every month by simply committing to your order online. Plus, it saves you time and energy in the long run.

Mental And Financial Health Podcast
