## Staying Safe On The Internet

If you are reading this, you probably use the internet often, most likely every day. We

have heard time and again that we must be careful while online, but even the most diligent among us can take our online safety for granted. Staying safe on the internet can seem overwhelming, but it doesn't have to be.

Join us on Wednesday, December 8 at 1:00 pm ET as Leo Hopper, GreenPath's Director of Information Security, offers some simple and useful tips on staying safe on the internet.
