

March To Telcoe For A Great Low Vehicle Loan Rate

Auto loan financing from Telcoe Federal Credit Union is the perfect partner to help you pay less for your next vehicle purchase. You'll enjoy competitive rates and the confidence to negotiate like a cash buyer. A vehicle pre-approval helps protect your budget and simplifies the process so you can start the year strong. Smart shoppers finance with Telcoe.

Start your shopping online looking at vehicle inventory. A website that shows all dealerships in one site is www.autotrader.com or www.cars.com. Be sure to ask for the CASH price when shopping and be prepared to walk away. When you leave the dealership you will typically see the price drop on the auto. Negotiate the final price over the phone and be sure to compare prices among multiple dealerships.

Personal financial concerns or economic hardships can take a toll on an employee's overall health and well-being. That financial stress can also affect your bottom line by contributing to on-the-job distraction, increased absenteeism and lower retention rates. U.S. employees spend more than 8 hours a week managing personal finances, with half of that occurring during work hours.

At Telcoe FCU we're here to assist with all of your financial well-being needs.

February 6th

The Telcoe- Maumelle High School -Hornet Branch(student led branch) opened its doors for Congressman French Hill and State Senator Jane English today Congressman Hill encouraged students to continue their financial education. Telcoe Intern-Reihanna Chatmon will graduate in May and has worked both in our Telcoe offices and the school branch for 2 years.

IN THE COMMUNITY

February 20th

Telcoe hosted a Financial Reality Fair at Maumelle High School on February 20th. Seniors were able to choose their career and then make choices about where they live, drive, groceries, pets, etc. The exercise allows them to see how far a pay check may take them each month (or leave them short based on choices made). We had help from tons of community volunteers and PCSSD.

Now Accepting Scholarship Applications!

Scan here for details
