Shop Smart, Stay Secure.

Stay alert while shopping this holiday season.

Monitor your accounts and never share personal information with an unknown source.

SKIP Skip-A-Payment

Telcoe makes it easy for you to skip a loan payment for the month of December.

This payment is then added to the end of your loan term. Our skip-a-payment program does not impact your credit rating. Instead of charging your holiday purchases this year, you can skip your Telcoe loan payment and pay cash for all holiday items.

Christmas Loans Spread *Holiday Cheer*

Make the season brighter with a Christmas Loan, refinance your auto loan for a lower payment, Skip-a-Payment, or start a Christmas Club savings account! Move your **AUTO LOAN** to Telcoe before November 16 for a lower rate, no payment for 90 days & be entered to win a Thanksgiving pie! Email Amanda at amanda@telcoe.com!
