

Telcoe Federal Credit Union and its employees participate in several events and fundraisers throughout the year to raise money for **Children's Miracle Network (CMN)** for **Arkansas Children's Hospital**. CMN provides assistance with expenses not covered by insurance such as medications, therapy, wheelchairs, family travel expenses, etc. 100% of all donations raised from the program go directly to helping children in need. **Arkansas Children's, Inc.** is the only healthcare system in the state solely dedicated to caring for children. This allows the organization to uniquely shape the landscape of pediatric care in Arkansas. Founded as an orphanage, Arkansas Children's has championed children by making them better today and healthier
