## Financial Health

---

Are your employees hurting or happy?

If you asked your employees to rate their financial health on a scale of 1 to 10—1 being painfully stressful and 10 being healthy and happy—do you know where they would fall?

Carrying the burden of financial stress can impact ALL aspects of your daily life—including work productivity! We can help your employees feel like they are at a 10!

Need more help getting a handle on your finances? We partner with Grenpath Financial Wellness and can get personalized answers for. Financial needs, budgeting tips, debt repayment, improving credit are some topics included.
