

Mobile Banking

Have control of your money
at your fingertips

Telcoe FCU's mobile banking is a fast, free, and secure service for all members. It provides you convenience and flexibility with your money – what more could you ask for?

How to set up mobile banking:

1. From a computer, visit www.telcoe.com and log in to EasyConnect Online Banking.
2. Go to Settings > Mobile Settings > Web Mobile Settings.
3. Fill out the information. Make sure to check "Enable web access for your mobile device" and accept the terms & conditions. Then, click "Submit."
4. You are all done on the computer! Now, take your phone and open your phone's app store.
5. Search "Telcoe" and download the Telcoe Federal Credit Union mobile banking app.
6. Log in with your EasyMobile ID and password (same as EasyConnect).

You are now ready to use mobile banking!

*Wireless carrier data rates may apply

Need assistance? We'd love to help! Please give us a call,
visit us in branch, or email members@telcoe.com

Don't have a smart phone?

Use Text Mobile Banking!

Make life easier. With text mobile banking you can receive account balances on the go!

How to set up text mobile banking:

1. From a computer, visit www.telcoe.com and log in to EasyConnect Online Banking.
2. Go to Settings > Mobile Settings > Text Mobile Settings.
3. Check "Enable text access for your mobile device" and accept the terms & conditions.
4. Enter your phone number and select your wireless provider.
5. If you have multiple accounts, you can create mobile short names to identify them. Select the accounts you would like to see with text mobile banking. Then click "Submit".
6. Confirm the text message sent to your phone. You may now text any banking commands to **89549**.

Text Commands

BAL - all account balances

BAL *mobile short name* - single account balance

Hist *mobile short name* - single account history
